

BSW CCG MOCH Guidance Documents

The MOCH (Medicines Optimisation in Care Homes) team have a range of guidance documents available on their website for use by all care homes, including those homes ordering their medicines via Care Home POD, including:

- Care Home Interim Request form
- Example Homely Remedy Agreement form
- Homely Remedy information for GPs
- Homely Remedy information for Care Home Staff
- Paracetamol Dosing
- Missed doses of medication
- Refrigerator storage information
- Monthly order process
- Expiry Date guidelines
- Barrier Creams
- Homely Remedy Record
- Thickeners
- Emollients and Barrier Creams
- Transdermal patch application chart
- Nutritional information and dietetic support
- Quick Guide to Self Care & Homely Medicines
- Other links to CQC and NICE guidance

All documents are available from the BSW CCG
Medicines Optimisation website:

<https://prescribing.bswccg.nhs.uk/care-homes-moch>

We are available to offer support and guidance on the use of medicines in care homes; the easiest way to contact us is by emailing your queries in the first instance to the closest geographical team:
